In advance: Make Grapefruit Infused Salt for Rim - Zest a fresh Grapefruit until you have 1 tsp of zest. Combine with 1 tsp Kosher Salt and let dry.

Using a pairing knife, slice a wedge from the Grapefruit. Run the slice over the rim of your Highball Glass, then garnish your rim with the Grapefruit Infused Salt. Using a citrus press, press half a Lime over a jigger to yield .5oz of Lime Juice. Add the Lime Juice and Wheatley Vodka to a Cocktail Shaker, then fill with ice. Shake well! Strain into your glass over fresh ice. Top with Q Sparkling Pink Grapefruit. Garnish with a Lime bow tie and Edible Flower. Enjoy!
