Dear Friend of Buffalo Trace,

Many thanks for your purchase of our Eagle Rare 17 Year Old Kentucky Straight Bourbon Whiskey.

We hope you and your customers are very pleased with the whiskey contained in these bottles. In distilling and aging these products, we have attempted to make some of the finest American whiskey ever made.

The glass bottle we've chosen showcases the whiskey's gorgeous amber color with a classy look. The back label provides a full product description for you to read while enjoying a taste. Every bottle has been hand bottled and labeled to ensure the highest quality finish. The tissue paper has been added to protect the finished package.

On the reverse side of this letter, please find a detailed fact sheet on the barrels selected for this year's vintage. Hopefully, you and your customers will find the intricate details of these particular barrels as interesting and compelling as we do.
