## DISTILLERY

May 27, 2015

Dear Friend of Buffalo Trace,

Many thanks for your purchase of George T. Stagg, our uncut and unfiltered Kentucky Straight Bourbon Whiskey. Past releases have won many awards and in 2012 F. Paul Pacult's Spirit Journal named it the "Number One Spirit in the World".

We hope you and your customers are very pleased with the whiskey contained in these bottles. Our George T. Stagg bourbon has been produced in response to consumer requests for a well-aged and barrel strength whiskey. This offering is comprised of barrels aged for more than 15 years and 1 month. After years of aging this bourbon is 138.2 proof.

The glass bottle chosen for George T. Stagg is designed to showcase the whiskey's dark and rich color. The back label provides a full product description. Every case has been hand bottled and labeled to ensure the highest quality finish. The tissue paper has been added to protect the finished package.

On the reverse side of this letter you'll see a fact sheet about the barrels selected for this particular release. Hopefully you and your customers will find the intricate details of these particular barrels interesting.

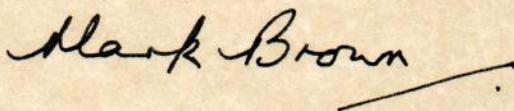

In closing, thank you again for your purchase of this very limited supply of George T. Stagg. If we at Buffalo Trace Distillery can be of any further assistance please do not hesitate to contact us at the following numbers or e-mail addresses:
